Welcome

Welcome to your new home at Danes Park! This Welcome Pack aims to introduce to you what a Travel Plan is and how it can benefit you in your new home.

A Travel Plan is a legal obligation required by developers to ensure their development is sustainable and as 'green' as possible. Your Travel Plan is here to help you take steps towards a more sustainable future. A Travel Plan is a FREE initiative which helps you make the most of your local travel.

Paul Basham Associates are working on behalf of Pennyfarthing Homes to help get you started in your new home. We are here to help with any travel related queries you have.

Our website provides you with more detailed information on what a Travel Plan is, as well as all the information you need to know about your local area. This website will hold the most up to date information and you can use it to access all travel information. Visit us here: www.tpc-paulbashamassociates.com

This Welcome Pack is designed to assist you as you travel in, out and around your new home

Top Tips for Travelling Sustainably

Are you unsure how you can travel sustainably? These top tips will help get you out of the car and make the use of your local cycle and walking routes and public transport services.

1

Plan Your Journey - Make use of journey planning applications to check for convenient and sustainable travel options.

2

Walk and Cycle - Walking and cycling are the most sustainable modes of transport and are also a good way to keep fit and healthy.

3

Consider Public Transport - This is a great way to get around while helping to lower congestion on the local road network.

4

Consider Car sharing - It is a great way to share the cost of fuel and car parking while also giving you time to relax on your daily commute.

5

Think Ahead - Bundle a number of small errands into one trip to save time and fuel.

6

Have Local Adventures - Next time you're planning an outing choose somewhere local where it is possible to walk or cycle to.

7

Make Low Emissions a Priority - When purchasing a vehicle or choosing another mode of transport always consider fuel efficiencies and the amount of pollution it will emit.

Walking

Why not walk into New Milton?

There are a range of amenities in New Milton Town Centre (see the local map on **Page 9** for more details). It is a pleasant 30-minute walk from your home in New Milton. The map below shows the suggested route!

Walking Groups

There are plenty of walking groups in your local area. Some of these include:

- New Forest Healthy Walks – free, fun and supportive walks, led by trained volunteers
- u3a walks New Milton – walks exploring the coast and/or forest. 10am every third Tuesday
- New Forest Ramblers – a variety of walks for a range of abilities in the New Forest and surrounding area.

For their website links, see the Useful Contact Information on **Page 13**.

Looking for walking inspiration?

Hampshire County Council have highlighted a selection of walks across the county, including in your local area! For more, visit www.hants.gov.uk/thingstodo/countryside/walking/

Did you know that walking increases blood flow to the brain and improves your mood?

Cycling

There are so many reasons to get cycling, whether that's for work or leisure. Why not try it today?

- It's good for mental and physical health
- It's a good way of adding physical exercise to your daily routine
- It's better for the environment
- It is often cheaper than driving!

National Cycle Network Route 2 is close to your home, linking to Lymington, Christchurch and Bournemouth! Visit www.walkwheelcycletrust.org.uk/national-cycle-network/ for the route and more information!

Cycle Groups

Love cycling? Want to learn new routes? Want to meet others or simply give cycling a try? Why not try one of these local cycling groups?

- **New Milton Cycling Club** – a club for fun, fitness and friendship
- **New Forest Cycling Club** – rides around the beautiful New Forest

Web-addresses to these groups can be found on **Page 13**

Halfords Christchurch – local bike shop!

Based in Christchurch and only a 40-minute cycle or an 8-minute train journey away, your nearest Halfords Store has a range of display bikes, clothing and accessories, and a free bike check to ensure your bike is safe.

Purchasing a Railcard could give you up to a 1/3 off rail fares and many are valid on travel across 16 counties (inc. London). Visit www.railcard.co.uk to find out which one would work for you.

Travelling by Car

Car sharing is a great way to have access to a car without owning one. You also get the opportunity to engage with people making the same journey as you in your local area. Why not visit Liftshare to find out more?

Electric Vehicles

Electric vehicles are a great alternative to the traditional petrol or diesel vehicles. By switching to electric or hybrid vehicles you will lower your fuel, emissions tax and maintenance costs!

In addition to the charging points available at home the following electric charging points are available in your local area:

- Gorse Close (3-minute drive))
- Osborne Road Car Park (4-minute drive)

You can see these charging points shown on the map on **Page 9** and to find all the nearby charging points, both at home and when out, visit: www.zapmap.com/live

Liftshare

Liftshare is a free car share scheme with a database of over 700,000 people to share a car with. You can find both passengers and drivers to share with. Liftshare is a great way to travel and meet new people! Request a ride or advertise your journey for free online at <https://liftshare.com/uk>.

Fuel Saving Tips

- Keep your car and tyres in good working order
- Avoid accelerating or braking sharply
- Slow down when possible
- Most importantly, try and walk, cycle and take public transportation!
